

Deutsche Post DHL Inhouse Consulting

Job Description:

Your work involves developing new strategies and concepts, defining innovative business models, helping turn around unprofitable businesses and optimizing existing structures. You will take on responsibilities quickly, with full exposure to the top management. You will profit from our strong focus on teamwork and diversity, our great career perspectives, the strong network of Deutsche Post DHL, as well as the fast-changing environment we work in.

What we're looking for:

You, as a successful candidate, offer outstanding academic records. Fluency in English is essential, along with first professional experience gained in the international arena. Excellent analytical and problem-solving skills, team spirit and an open mind are attributes necessary to your success.

Job Locations:

Germany

Singapore (Chinese or Japanese language skills required)

USA
