

Mini Careers Retail Fair 2011

Monday 31 October, 10.30am - 3.30pm,
Undergraduate Centre, Wheatley Campus.

The following employers will be on campus recruiting students for their graduate & placement programmes. Don't miss this great opportunity to speak to them face to face and find out how to make your application successful.

Marks & Spencer

Whichever way you look at it, the M&S Graduate scheme is one of the best in the industry. From your point of view, you get a first-class introduction to a career in retail. And from our side of things, we get talented people with fresh ideas and ways of thinking. It's the perfect deal.

But a career with M&S isn't for everyone, and we set the bar especially high for our graduates. It's not enough to say you have a 'passion for retail'. We'll want to see that passion in everything you do – whether you're taking part in group training days, researching new products, or meeting with our suppliers.

It's not just a fast track to management though. You'll also be able to enjoy making important business decisions, and reap the rewards such responsibility brings. Plus you'll be supported every step of the way by our friendly and knowledgeable people.
